| Sep 17     | 10:00-12:00| **INTERNATIONAL FORUM**  
Gagan S. Wig, Associate Professor  
*Center for Vital Longevity, School of Behavioral and Brain Sciences, University of Texas at Dallas* | Brain network aging                                                          |
| Sep 24     |            | **Anders Rydström**, PhD Student  
*Division of Clinical Geriatrics, KI and Aging Research Center, KI/SU*     | Occupational complexity and cognitive change in FINGER multimodal intervention trial |
| **Wednesday Oct 2** | 16.00-17.00 | Hanneke E. M. den Ouden, Assistant Professor  
*Radbourn University, Netherlands* | Maladaptive biases in motivated action: computations, brains and psychopathology |
| Oct 8      |            | **Olof Bäckman**, Associate Professor  
*Dept. of Criminology, Stockholm University* | METHODOLOGY  
Propensity Score Matching: Does it help to identify causality? |
| Oct 15     |            | **Lawrence Sacco**, PhD  
*Stress Research Institute, Stockholm University* | Paid work and caregiving in later life                                       |
| **Oct 24** | **10:00-12:00** | **INTERNATIONAL FORUM**  
Manuel Montero Odasso, MD, PhD  
*Gait and Brain Lab, Parkwood Institute and University of Western Ontario* | There is something in the way you walk. Lessons learnt from the Gait and Brain Study |
| Oct 29     |            | **Tommy Cederholm**, MD, PhD, Professor  
*Dept. of Public Health and Caring Sciences, Uppsala University* | Sarcopenia - a major threat for older people                                |
| Nov 5      |            | **Sara Hägg**, Associate Professor  
*Dept. of Medical Epidemiology and Biostatistics, KI* | METHODOLOGY  
Genome-wide approaches and causal inference methods in aging research       |
| Nov 12     |            | **Martin Lövdén**, Professor  
*Aging Research Center, KI/SU* | Education and lifespan cognitive development                               |
<p>| Nov 19     |            | <strong>Henrik Schmidt</strong>, Karolinska Universitetsbiblioteket | Plan S and open access: Information and Q&amp;A                                |</p>
